2026 FINANCIAL BENCHMARK REPORT

(BASED ON 2025 RESULTS)

The 2026 Financial Benchmark Report presents a detailed analysis of key operating and financial data from lawn care and landscape professionals in the industry. The results are based on confidential surveys submitted to Industry Insights by 124 organizations, representing 315 locations.

The 2026 Financial Benchmark Report was compiled, tabulated, and analyzed by Industry Insights Inc. (www.industryinsights.com), an independent professional research and consulting firm that specializes in conducting financial and operating performance surveys, compensation studies, market assessment surveys, customer satisfaction research, educational programs, and other forms of customized research.
