How We Can Help Your Company Grow...

Training and Certifications

Take advantage of our Virtual 10-hour OSHA training, Landscape Management Certificate Program, and numerous certification offerings.

Professional Development

Our national events like ELEVATE, Leaders Forum, and more connect you with the best experts and leaders in the industry.

Industry Research and Data

Gain valuable insight through NALP Publications with resources like Pricing for the Green Industry and the Compensation & Benefits Report.

Legislative and Regulatory Affairs

We make sure your voice is heard on issues of importance to the industry like H-2B, pesticide policies, gas to battery power transition, water use and more.

Workforce Development

We help grow the workforce through the National Collegiate Landscape Competition, Landscape Industry Careers, student outreach, scholarships and more.

Networking & Mentoring

Join NALP and connect with industry leaders and peers throughout the country through our Professional Networks, NAVIGATE coaching and mentoring program, events, and more.

National Awards & Recognition

Participate in our Awards of Excellence and Safety Recognition Awards and be recognized by your peers, clients, prospective clients and future employees.

Expert Advisors

Free advice is a phone call away with industry experts ready to assist with HR, legal, safety, and government relations issues.

News & Information

Members receive the Edge weekly e-newsletter and the bi-monthly magazine, keeping you up to date on the latest trends and share insights from leading companies.
